_____ Yes, honor my child with a brick in the Global Garden at the Intermediate Campus. Attached is my payment for \$50.00 for one 4"x8" engraved brick made payable to the Sarah Smith PTA. Please return this form and check to your homeroom teacher.

In an effort to include the entire graduating class from the Intermediate Campus and all six teachers, you are invited – if you can – to donate an additional amount that will subsidize the cost for those who may not be able to afford to participate at this time.
