

## **Sarah Smith Carpool FAQs**

### **How can I get a carpool number?**

- Prior to the start of the school year, numbers are available at the Celebration of Learning. Look for the Carpool table.
- During the school year, numbers are available at both SRS front offices.

### **I have more than one child attending Sarah Smith. Do I need multiple carpool numbers?**

- No, carpool numbers are assigned by family – one number per family which is **used at both campuses**. Siblings should be noted on the carpool information form when you get your number. New numbers will be issued each year.

### **Do I need a new carpool number each year?**

- Yes, new numbers will be issued at the Celebration of Learning or at either SRS front office after school begins.

### **I know I have a carpool number, but I can't remember what it is. How can I find it?**

- A list of carpool numbers associated to students is kept at both SRS front offices.

### **Do I need a carpool number if my student rides the bus?**

- Yes, you never know when things will change and you'll need to pick up your student from school. Having a carpool number helps ensure the school knows which students' ride has arrived.

### **Why can't I turn left into or out of the SRS parking lot during carpool hours?**

- Turning left into or out of the school during carpool is a hazard to pedestrian children as well as cars.

### **If I can't turn left into or out of the SRS parking lot during carpool hours how do I get to and from the school?**

- Visit the SRS website and search for **Carpool**. You'll find the maps for both campuses that show you the route to take.

### **Where can I find the SRS Carpool rules?**

- Visit the SRS website and search for **Carpool**.
