Matching Gift Program

If you work for a company that matches gifts to charitable organizations, you can double or triple the value of your contribution by following your employer's matching gift procedures. Many companies match the gifts of spouses, retirees, and surviving spouses of retirees in addition to gifts from current employees. Please contact your personnel or human resources office for eligibility information and to obtain a matching gift form. If you are not certain whether your employer offers a matching gift program, we can research it for you.
